Pennsylvania Department of Agriculture permits required for minnow sales to dealers located within Pennsylvania.

Minimum sale of two pounds per bag. No fractional pound sales.

Plastic bags and oxygen supplied at no additional charge.

48-quart coolers are suggested to hold the bags and prevent the bags from rolling around in your vehicle. Ice packs are also helpful to maintain cold water temperature during transport. Frozen ice packs = \$1.00 each.

All baitfish are health certified.

Stock may be limited during certain times of year. Preference is given to dealers purchasing their entire bait needs from us. **During periods of shortage, sale to non-regular customers is restricted to insure uninterrupted supply for full-line/full-time customers.** Prices are subject to change based on market conditions.

All bait is sold for resale to qualified and licensed bait dealers. Sales cannot be made to individuals or entities lacking a valid state sales tax identification number and Pennsylvania Department of Agriculture permit. Case lot discounts made on full case sales only. Jumbo is a registered trademark and is used under license.
